

Hoffman-Haas Fellowship

New Hampshire's premier board leadership development program

Corporate Sponsorship Opportunities

Since 2014, the Hoffman-Haas Fellowship, a program of the NH Center for Nonprofits, has prepared and trained new leaders with a solid foundation of board essentials to infuse energy in nonprofit boards throughout NH. By sponsoring the fellowship program you demonstrate your company's commitment to the community, strengthen the leadership capacity of NH's nonprofit sector, and make access to the program equitable through scholarship opportunities. As a sponsor, you also have the opportunity to connect with a diverse mix of nonprofit, business, and community leaders.
