DEADLINE: NOVEMBER 25, 2025 (FORM CLOSES AT 11:59PM)

PURPOSE

The NH Center for Nonprofits is seeking proposals for workshops to be presented at its NH Nonprofit Conference & Expo to be held on May 12, 2026. This is a competitive process designed to create a balanced and engaging program. Please read this RFP thoroughly as it provides important information and instructions for your workshop proposal.

CONFERENCE INFORMATION

OVERVIEW:

The goal of the Nonprofit Conference & Expo is to provide a variety of skill-building workshops on relevant topics for staff, board members and skilled volunteers involved in New Hampshire nonprofits. We encourage proposals that support creativity and innovative practices while providing an interactive component rather than those that consist solely of a lecture style. We encourage proposals that are mindful of and address diversity, equity, and inclusion.

CONFERENCE AUDIENCE:

- 350+ nonprofit and business professionals
- Attendees will represent a wide range of organizations from various nonprofit sub-sectors, regions, and organization sizes.

GENERAL WORKSHOP INFORMATION

The Center is seeking proposals for approximately 28 workshop slots. We are looking for presentations that provide relevant, actionable information that nonprofits can implement in their organization right away and address the latest trends and most pressing issues faced by the nonprofit sector today.

Any workshop that supports building, expanding, or enhancing a nonprofit's operations and/or capacity will be considered. **Nonprofit leaders/staff interested in presenting a workshop based on their experiences and expertise are encouraged to submit a proposal.**

WORKSHOP ELEMENTS:

Please take note of these suggested workshop elements as you plan your workshop proposal; we will consider these as we make our final workshop selections.

- **Goals of the Workshop:** Clear participant outcomes
- **Engagement:** Methods for active learning
- **Practical Application:** Tools participants will be able to take back to their organization and implement
- **Best Practices/Relevant Research:** Best practices and/or research-based approaches. Consider how diversity, equity, and inclusion factor into the topic.
- **Supporting Materials**
- **Q&A:** Plan for audience interaction

EVALUATION CRITERIA:

- Preference will be given to presenters who are current members of the NH Center for Nonprofits. ([Member directory available here.](#))
- Topic can be covered in 60-75 minutes
- Introduce innovative concepts or tools
- Provide practical, ready-to-use strategies and skills
- Effectively engage attendees with interactive elements
- Clear and compelling titles and descriptions
- Presentation is NOT an advertisement or sales presentation. We ask that presenters limit promotion of themselves and their businesses/organizations to their introduction and their contact information on handouts. We request that presenters do not directly solicit work or solicit input unrelated to the presentation topic. If you have a product or service to share with the sector, please review [sponsor/exhibitor opportunities](#).

LOGISTICS:

- Workshops will be scheduled for 60-75 minutes (Selected presenters will be notified of their time slot and workshop length.)
- The conference agenda will provide 4 breakout blocks. 7 workshops may be held in each block.
- The Center will provide a screen and projector or TV monitor for slide presentations. You will be responsible for all other materials including laptops, flip charts, and any adaptors needed to connect your laptop to an HDMI port.
 - To minimize paper use, handouts will not be photocopied. Presenters may upload digital materials to a shared folder for attendees.

COMPENSATION:

No stipends are available for facilitating a workshop. Lunch will be provided for all presenters as well as complimentary conference registration. Workshop presenters are listed on the NH Center for Nonprofits' website conference page and in the program book. With an audience of over 350 nonprofit staff, board members and skilled volunteers, the conference is a great opportunity to highlight yourself and your organization.
